Issue No. 9

September 2010

The words I heard on assignment day are still echoing through my head, “Daniel Albrecht, St. Jacobi Lutheran School, Greenfield WI, Southeastern Wisconsin District, Fifth Grade, Technology Director, and some departmentalization.” Those are words I will never forget; I consider it a blessing and a privilege to be here in Greenfield to serve you and your family. I have felt very welcome here at St. Jacobi.

Here is a little about me. I was born here in Milwaukee at St. Joseph Hospital in the summer of 1988. I grew up in Manchester and Winneconne, WI. I attended Trinity Lutheran School in Neenah, WI and Fox Valley Lutheran

High School in Appleton, WI. I am a 2006 graduate.

I enjoyed my time at Martin Luther College in New Ulm, MN. I was active in student government, ran and helped coach cross country, and worked as a Resident Assistant and in the IT department. MLC has fostered a special place in my heart for ministerial education, thus, whenever I can, I will be encouraging your children to consider serving the Lord in the public ministry.

I am looking forward to getting to know my family of faith here at St. Jacobi in the days and months to come. Jesus be with you!

WEDNESDAY BIBLE CLASS

The 7:00 to 8:00 Wednesday evening Bible Class resumes on Wednesday, September 8th. We started with the book of the Prophet Isaiah last spring and so far highlighted portions from the first 27 chapters. We'll briefly review that first, and then continue with highlighting portions of the remaining chapters of this important book of the Old Testament which so clearly pointed to the fulfillment of the promised Savior in the New Testament. There will also be the opportunity for questions and discussions, especially if someone has questions after reading the chapters from "Searching The Scriptures This Week" found in every week's bulletin. Each Wednesday we'll also list the Scripture readings for the coming Sunday/Monday services. It might be good preparation to help a person get more out of a church service by trying to figure out what common thought might connect the readings, one of which usually is the sermon text. This Bible Class is not for just one age group or a special grouping (there are other Bible classes for Moms and Seniors), but for anyone. Come as a family if you can arrange that. Bring your desire to grow in God's Word. Bring your own Bible, or Bibles are available for use.

SUNDAY BIBLE CLASSES **ADULT AND TEEN**

A few years ago, the Creation Museum opened in Kentucky. It's exhibits are meant to point people back to the truths of God's Word. In our Sunday morning class, meeting in the multipurpose room, we'll be looking at what God says about how this world came to be. We'll be studying the first 11 chapters of Genesis. Join us between the Sunday services in the multipurpose room.

BIBLE INFORMATION CLASS

Do you know anyone who is interested in joining St. Jacobi? Anyone who wants more information on what we teach? Anyone who was confirmed 5 years ago or more? Tell them about the next Bible Information Class. It starts Sunday September 12 at 9:30 and will be held in the lobby or the library of the school building. All are welcome for this fun, informal review of the basic teachings of the Bible.

DIGGING DEEPER – JOHN'S EPISTLE

Want to "dig deeper" into John's Epistles and the Revelation he received? Join Dan Kolosovsky Sunday mornings at 9:30 in the 8th grade classroom - seating is limited.

DIGGING DEEPER - PROPHETS AND PROPHECY

GOD'S WORD!

God's Word is a lamp for our feet and a light for our path! What a blessing He has given to us to have a sure source of truth, an absolute authority, a faith strengthener. As summer draws to a close and the sunshine won't be as prevalent your opportunities for the SON to shine on you grow. Firm up your foundation!

PROGRAM COMMITTEE

TUITION ASSISTANCE

Thank you to all of you who contributed to our Tuition Assistance Fund. Because of your generosity a total of \$3,100 was distributed to 9 different students in need and ministerial education students. If you would like to help out as well as start building our fund again for next year please put your gifts in an envelope marked "Tuition Assistance." Thank you.

**PLEASE CONSIDER VOLUNTEERING
YOUR TIME!**

At St. Jacobi we have the ability to offer a hot lunch program for our children at school. However this program is available *only* if we have enough volunteers to serve the hot meals. Please consider giving your time to serve hot lunch just once a month from approximately 10:45 am to 12:15 pm. (1 to 1 ½ hours). It really is **easy** and **fun** to do. **Easy:** There isn't much prep work since Whitnall School District prepares the food for us, therefore very little clean-up is required. **Fun:** You get the chance to see the kids who are benefitting from your offerings that support our school. AND since you will be serving as a team, you can get to know your St. Jacobi family. About 35 volunteers are needed every month. Please look closely at your schedule to see if there is room to fit this service opportunity into your life. Giving your time to support our school is just as important as giving your offerings. To sign up, please contact Sue Daniels at 427-8473 or daniels6wi@sbcglobal.net.

ENTERTAINMENT BOOKS

We will not be offering the coupon books this year. They are usually available from Wisconsin Lutheran High School.

STEWARDSHIP CHECKUP

“Each one should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms. 1 Peter 4:10

- Do I know which gift (or gifts) I have received?
- In what ways do I use my gifts to serve others?
- How gracious has God been in touching and enriching my life?
- How gracious have I been in sharing what God has given to me?
- Does “faithful” describe my life of stewardship of God’s gifts?
- How does God’s love for me motivate my desire to serve him better?
- What does my life of service to God say about my stewardship commitment?
